MODERN BOOKS

PUBLISHED

LONDON:

Printed in the Year MDCCLXVI.

ADVERTISEMENT.

THE chief Care of the Editors of the following Catalogue, hath been to correct the many Errors that had crept into former Editions of it, to expunge all Pamphlets, and other Tracts, which being only temporary, are not now to be found, and to bring it down to the present Time.

The Price affixed to each Book, (unless when otherwise specified) is generally the New Price Bound, as it was originally fixed, or as it has since been altered by public Advertisement. This is the fairest and best Rule we could adopt. But as the Prices of Books are daily fluctuating, the Reader will often find, that while many Articles may be purchased cheaper than they are here marked at, others, by becoming scarce, cannot be sold but at an advanced Price.

The numerous Publications that have issued from the Press of late Years, have necessarily swelled this Catalogue to near double the Quantity of former Ones, which, it is hoped, will be considered as a sufficient Apology for its encreased Price.

We shall only add, that no Pains have been spared to render this Catalogue as complete and accurate as the Nature of such a Compilation will possibly admit of; and that we propose to publish an APPENDIX to it every Year, which shall be given GRATIS to our Customers, who, it is humbly hoped, will easily be able to distinguish between this COMPLETE CATALOGUE OF MODERN BOOKS, and any bungling Imitation or Abridgement of it, that may hereafter be obtruded upon the Public.
